

TeachAde Unveils New Website, Announces New Features and Support for Educators

TeachAde, the innovative online community and free resource center for educators, is helping educators by developing a new site that is easier to navigate, provides a job board and allows members ease in uploading resources, lessons and Facebook photos.

Aspen, CO ([PRWEB](#)) July 23, 2013 -- [TeachAde.com](#), an award-winning online community and resource center for educators, has a brand new look. Many members have indicated they like the new “chalk board” on the home page. TeachAde has redesigned the site with a new code base and new user interface that brings more resources directly to its users in an attractive, intuitive design.

TeachAde’s new site has evolved into one of the leading free online sources recognized by educators and industry leaders for its standard of excellence and achievement. The new site is easily accessible at the [TeachAde.com](#) as well as [Facebook.com/TeachAde](#).

“Our new site is the result of extensive development merging the combined talents of experienced TeachAde team members,” said Michael Pearce, CEO of [TeachAde.com](#). “The new site has social media advances that educators will welcome as up-to-the-minute technology assists them in attaining their highest goals.”

About TeachAde

[TeachAde](#) has established itself as a leader online for educators to share and disseminate information that has been peer-reviewed and approved. A website that pioneered the idea of providing a service online exclusively for educators, TeachAde helps educators break out of stagnant information ruts and discover a world of trusted resources that enrich their classrooms and their careers.

TeachAde currently offers more than 60,000 resources created, tested and approved by educators that support quality classroom experiences nationwide. This online support and resource destination for educators also provides easy access to updates in education, current events and highlights of valued resources directly to members through its monthly eBulletin service.

TeachAde membership is available free of charge to educators, parents and members of the community who work with or support education. For more information and to sign up for an account, please visit [Teachde.Ade.com](#) or text TEACHADE to 22828. (Data and message rates may apply.)

TeachAde also has created strategic partnerships with organizations such as NEA Member Benefits, Adopt-A-Classroom, The Goldie Hawn MindUp Foundation, ThinkStretch, Agile-Ed and Disney to further support educators. Entrepreneur and philanthropist Robert Potamkin, Chairman of Potamkin Companies, provides investor funding for [TeachAde.com](#). Visit TeachAde’s newly redesigned website and find new resources, join existing interest groups or create groups, and identify members with like concerns.
